_____ Initial.

My space must be set up and visually appealing from 2:00 PM **until the market closes at 6:00 PM.** I understand that if I start dismantling my tent early that my actions may negatively impact the sales of vendors in close proximity to my booth. I also understand that this may create a domino effect of other vendors starting to tear down early. I agree to keep the market visually attractive and to support the market and my neighbors by leaving my space intact until 6:00 pm. I also understand that tearing down early may result in breaking my agreement and forfeiting any fees that have been paid in advance. It will be possible to gain re-entry in the future by paying a year's fees in advance with the knowledge that you must follow the guidelines or forfeit those fees in the future. I agree to these terms. _____ Initial
