Seaside Farmers Market – Non-Profit Agreement

I have read and agree to abide by all Market rules as indicated on this application as well as all applicable laws, codes and regulations, and to comply with decisions of the Market Manager. I agree to indemnify and hold harmless the Sunset Empire Park and Recreation District and all partners with Sunset Empire Park and Recreation District, and their employees, representatives and agents from

and against all liability, claims, demands, losses, damages, levies, and causes of action or suits of any nature whatsoever, arising out of or related to my activities at the Market.

Your space must be set up and visually appealing from 2:00 PM **until the market closes at 6:00 PM**. If anyone, vendor or Non-Profit starts dismantling their tent early that these actions may negatively impact the sales of vendors in close proximity to the booth. This generally creates a domino effect of other vendors starting to teardown early. I/we agree to keep the market visually attractive and to support the market and our neighbors by leaving our space intact until 6:00 pm.
